Dr. Marcus Myers
Vision Therapy & Vision Rehabilitation

SUCCESS STORY

What changes have you noticed since beginning vision therapy? Use reverse if needed.

Kyrie has been reading & writing more for pleasure. Her handwriting has also greatly improved and of course, no more blurry or double vision. She is also sitting toward the back of her classroom and has no problem seeing the blackboard.

Have your goals been met? Yes

Please comment: Thank you all so much for everything you have done for my daughter. I am so very grateful. It’s nice to see her reading & writing for fun.

Would you recommend this service to others? Yes

Comments: Most definitely and actually already had when we were somewhere in the middle of our sessions.
